\* \* \*

#### **Sec. 2-105. - Organization.**

(h) *Reporting by committees.* Notwithstanding any action to be undertaken by committees or subcommittees pursuant to this section, only the Board may take final action on any item referred to a committee or subcommittee. Committees shall report to the Board, and subcommittees shall report to their parent committees, subsequent to adjournment of a meeting of the committee or subcommittee.

The report of any committee or subcommittee shall be comprised of two sections. The first section of the report, "the text," shall constitute the minutes of the meeting for which the report was prepared and shall contain: a list of the attendees; an account of the items considered; a summary of the deliberations, including motions and amendments proposed and/or adopted; all votes taken; the result of said votes; and, any attachments to the record as ordered by the Chair. - (5) Recommended for Receiving and Filing; and
- (6) Returned With No Recommendation.

The committee's adoption of any one of the above six (6) statements of intent, as reported to the Board, shall constitute conclusive action by the committee on a Communication Numbered item, and shall automatically discharge the committee from further jurisdiction of the item. Absent the attachment of one of these six (6) statements of intent to the Communication Numbered item, such item will remain in committee unless discharged by the Board, or until the item is Received and Filed pursuant to Rule 2-104 (b).

**ITEM #11**

Transmitting a Communication, dated May 8, 2013 from

TIMOTHY BLEUHER, Commissioner, Department of Building and Zoning

requesting authorization for the President to enter into and execute an Intergovernmental Agreement between Cook County ("County") and The Village of Hoffman Estates ("Village").

Per Article VII, Section 10 of the Illinois Constitution, the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq., and other applicable law, units of local government are permitted to cooperate with and support each other in exercise of their authority and the performance of their responsibilities.

The purpose of this Intergovernmental Agreement ("Agreement") is to authorize the collaboration and cooperation between the County and Village pursuant to the provisions of Article 13.2.4 of the 2001 Cook County Zoning Ordinance. Per the agreement, the Village has entered into a Memorandum of Agreement with Canadian National Railroad (hereinafter CNR), whereby CNR has agreed to provide funds to the Village in the amount of \$1.95 million for noise mitigation regarding certain homes that are in close proximity to CNR's railroad tracks. Residents of the Village who live within a designated area can apply to the Village for reimbursement regarding certain Village-approved improvements to their homes, which comes from funds provided by CNR. Solely for purposes of this Agreement and in regards to properties listed in Exhibit A of this agreement only, the County authorizes the Village and its employees to be the enforcing authority with respect to accepting applications, issuing permits, inspecting premises and issuing reimbursements to homeowners for eligible improvements. The County shall consider all improvements under this Agreement as permitted use under the Cook County Building and Zoning Ordinance until such time that an improvement is removed or upgraded. The Village shall provide the Cook County Building and Zoning Department with copies of all approved applications and permits as well as a copy of all inspection results.
